Dear Ms. Banks:

PETITION OF PARADISE COVE LAND COMPANY, LLC AND THE KISSEL COMPANY, INC.
FOR REVIEW OF CEASE AND DESIST ORDER NO. R4-2016-0311 SITE PARADISE COVE
MOBILE HOME PARK AND PARADISE COVE BEACH CAFÉ, 28128 WEST PACIFIC COAST
HIGHWAY MALIBU, ISSUED BY LOS ANGELES REGIONAL WATER QUALITY CONTROL
BOARD: APPROVAL OF REQUEST TO CONTINUE TO BE HELD IN ABEYANCE
SWRCB/OCC FILE A-2507

Pursuant to your request, the State Water Resources Control Board (State Water Board) will continue to hold this petition in abeyance until October 7, 2020. Please pay careful attention to this date, because the State Water Board is not responsible for reminding petitioners that their abeyance periods are about to expire. If the State Water Board does not receive prior to 5:00 p.m. on the last business day before October 7, 2020 either (1) a written request to further extend the abeyance period, or (2) a written request to remove the petition from abeyance and activate the petition, then this petition will be deemed withdrawn as of October 7, 2020. If the petition is deemed withdrawn, you will not be able to seek judicial review of the regional water quality control board's action or inaction. Requests to extend abeyance periods or to remove petitions from abeyance should be sent to waterqualitypetitions@waterboards.ca.gov or to the mailing address below. A copy of the request must be sent to the other parties to the petition, including the regional water quality control board.

If you decide that you would like to remove this petition from abeyance and activate it at some time in the future, it is important that you carefully consult the State Water Board's regulations. (See Cal. Code Regs., tit. 23, § 2050.5.) If you request that this petition be removed from abeyance and activated, the petition will be dismissed on the 91st day following the State Water Board's receipt of your written request to remove the petition from abeyance unless:

- (1) the State Water Board has notified you, the regional water quality control board and interested persons that the regional water quality control board and interested persons have 30 days to respond to the petition;

FELICIA MARCUS, CHAIR | EILEEN SOBEC, EXECUTIVE DIRECTOR

1001 I Street, Sacramento, CA 95814 | Mailing Address: P.O. Box 100, Sacramento, CA 95812-0100 | www.waterboards.ca.gov

JAN 04 2019

(2) the State Water Board has received a written request from you to place this petition back in abeyance; or

(3) the State Water Board has notified you prior to 91st day that the petition is dismissed.

If none of these events occurs prior to 5:00 p.m. on the last business day before the 91st day after the State Water Board receives your written request to remove the petition from abeyance, this petition will be automatically dismissed without further action by the State Water Board. Dismissal of a petition, whether done by operation of law or by a letter issued by the State Water Board, is a final agency action for purposes of seeking judicial review of the regional water quality control board's action or inaction.

If you have any questions regarding this letter, please contact me at (916) 341-5178.
